Cybercriminals

A central graphic of a dark blue spider is positioned in the middle of a light gray spider web. The spider's body is a solid dark blue circle with the word 'Cybercriminals' written across it in white, bold, sans-serif font. The spider's legs are also dark blue and extend outwards, resting on the web's threads. The web itself is composed of concentric circles and radial lines, creating a geometric pattern of triangles and hexagons.
